

Hidalgo County Head Start has been chosen as a 2018 H-E-B Excellence in Education Early Childhood Finalist

Program received word that it was one of just five finalists in the state in the 17th annual H-E-B Excellence in Education awards. This award and high honor speaks to the hard work put in by staff, parents and community partners.

Officials representing H-E-B will visit our Program to get a first-hand look. They will announce the state winners in late spring. We appreciate H-E-B for all they do to recognize the outstanding work Programs like ours are doing across Texas.

Recognition of this caliber can only be achieved through strong community participation, strong parental engagement, strong staff commitment and strong leadership over a period of years. Congratulations to everyone!
